BIO

After moving six times between ages 5 & 10, Heather evolved from lonely creative misfit into an international champion performing artist, gracing such stages as the Georgia Dome, MGM Grand, and convention centers in Hawaii, Atlanta, Phoenix, San Diego and Nashville. Over the past decades, Heather's transformational coaching has moved countless people through fear and doubt to showing up and connecting their heart centered messages to people ready to receive. As part of her vision, she believes that no one should leave this planet with their passion, wisdom and stories still inside.

I love working with Heather Meglasson! Heather has a knack for helping people feel accepted and creating a safe space, then uplifting them to a more confident self to face their obstacles. She is very tenacious in her training, while wearing a big smile on her face and in her heart. With her creativity, outside-the-box stage skills, and empowering attitude she is a very inspirational leader.
